### Rick Siegal, Training Wheels

On behalf of the Massachusetts Motorcycle Association (MMA), I would like to take this opportunity to express our sincere thanks for your very generous donation of 2 Beginner Rider Course (BRC) Gift Certificates.

While attending Senator Bob Hedlund's fundraiser in Weymouth, we were able to surprise Elisa Mello with one of your BRC Gift Certificates. Elisa had planned on learning to ride last year before the March 24, 2007 accident that ended her husband Brian's life. She expressed her wish to take the course this year and ride with the MMA.

Though not in attendance that evening, the second BRC Gift Certificate will soon be presented to Kendra Sardinha, Staff Writer for GateHouse News Services. Kendra was on hand Sunday, August 5, 2007 for the 1<sup>st</sup> "Friends of Brian Mello" Ride held in Ranyham. Kendra wrote about the event and actually had her very first motorcycle ride that afternoon. Kendra has taken a personal interest in Elisa's plight and also expressed interest in learning to ride safely.
